<b>Administrative Issues</b>  Recipients need to have certain basic requirements in place to comply with the OCR Guidelines, Title VI, Title IX, Section 504 and Title II. These basic procedures include an annual public notice, continuous notification, designation of a person(s) to coordinate activities under Title IX, Section 504, and Title II and a grievance procedure that will allow students (and parents at the elementary and secondary level) an avenue for dealing with alleged discrimination. To verify this, it will be necessary to review many documents and to interview administrators, Title IX and Section 504 coordinators, faculty and students.  Suggested Persons to Interview: PR person, some administrators, students, and parents (particularly LEP students and students with sensory impairments).

## SECTION 5 STUDENT FINANCIAL ASSISTANCE

Equity Requirement/ <u>Legal Cites</u>	Indicators of Compliance	Documentation		Status		
		Yes	No			
<p>Financial Assistance Issues</p> <p>Colleges are not to limit honors, awards, and scholarships to a group on the basis of race, color, national origin, sex, or disability unless such targeting is done to provide opportunities to members of a group that has not traditionally been represented. Outside agencies that provide awards are to be notified of the college's nondiscrimination policy.</p> <p>A college may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign will, trust, bequests or similar legal instruments or by acts of a foreign government which require that awards go to a student of a particular sex, race, or national origin, or with a particular disability. However, the overall effect of such restricted awards and scholarships must not lead to discrimination in access to total scholarships on the basis of sex, race, national origin, or disability.</p> <p>While this is primarily a postsecondary issue, secondary schools helping to prepare students for postsecondary experiences can help disadvantaged students by being aware of this requirement because financial aid is often the stumbling block for those historically underrepresented in postsecondary education.</p> <p>Interviews with the following persons may clarify compliance with this standard: Financial Aid Director, Financial Aid Counselors, Guidance Counselors, Department Chairs, Title IX Coordinator, 504/ADA Coordinators.</p>						
<b>5.A Financial Assistance Distribution</b>

## SECTION 7 SERVICES FOR STUDENTS WITH DISABILITIES

Equity Requirement/ Legal Cites	Indicators of Compliance	Documentation	Yes	No	Status			
<p>Services For Students with Disabilities Issues</p> <p>No qualified person with a disability may be excluded from, denied benefits of, or subjected to discrimination in any course, program, or activity. A recipient may not restrict access for students with disabilities to schools, programs, services, and activities because of architectural barriers, equipment barriers, the need for related aids and services, or the need for auxiliary aids. Section 504 and ADA Title II are based upon the premise that students with disabilities will be integrated with their nondisabled peers as much as possible. Historically, the assumption was made that persons with disabilities would not be able to function and the able-bodied should not put them in a position where they might be “uncomfortable.” However, research shows that gains made by persons with disabilities in the educational setting are enhanced when they are integrated with the appropriate aids and services. The Section 504 requirements for services for elementary and secondary disabled students are different from the requirements for services for postsecondary disabled students.</p> <p>Interviews with the following persons may clarify compliance with this standard: Agency CEO, Guidance Counselors, Department Chairs, ADA and 504 Coordinators, Coordinator for Disabled Student Services, Facilities Director. In addition to interviews, a visual inspection of facilities should be conducted.</p>								
<b>7.A Disability Access to Programs, Services, and Activities</b>
